In the setting the Arlington 1949 tax rate, the town assessed the sum of \$169,479. On account of the MTA deficiency. The total amount in the warrant for this deficiency is \$298,478.02, which means that in the 1950 tax rate, the Arlington Board of Assessors will have to include an additional assessment amounting to \$128,999.02, which will mean about two dollars added to the tax rate for 1950.

In addition to this amount, there will be an additional sum which will have to be provided for the MTA deficiency of 1949.

This sum is not ascertainable at this time, but the estimate of this amount will be given to the board of assessors after January 1, 1950, by the Tax Commissioner Henry F. Long.

Policeman's Ball Packs George H. Lowe Auditorium

The Arlington Police held their annual ball last Friday night. The dance and entertainment took place in the packed George H. Lowe, Jr., Auditorium.

Five acts of vaudeville got under way at 8:30 p.m. with a tap dancing team. Saunders and Watson, who had to do six encores before they tired and could not come back again. They were followed by the "Hub City Four" an Irish quartet that more than stole the show.

Hal Sayer was the master of

ceremonies and a master juggler. Mr. Sayer, who needed a member of the audience to participate in his act, called on a young lady in the first row for assistance. The young woman gave her name as Mrs. Harris. The act was carried out and a short time later, when an acrobatic team of Claire and Hudson were performing, they too needed a member of the audience for pushed her husband up on the stage and he did an admirable piece of acting for one that was uninitiated.

did anyone realize that they had just seen Mr. Mickey Harris, former ace lefthander of the Boston Red Sox and now pitcher for the Washington Senators. Mickey then spent the rest of the night signing autographs.

The show was concluded with an impressionist who left the audience holding their sides.

Karl Rhode, well known band leader, supplied the music for dancing which followed.

Mr. Chester Pehrosen, 26 Teel street, Arlington, was a winner on the WCOP "DINNER WINNER" program heard every Monday thru Friday.

BLACKSTONE WASHERS AND IRONERS

The Greatest Washer Value!
IN OUR HISTORY!

Really WASHES!

The BLACKSTONE is an AGITATOR WASHER! It uses the same proven, efficient, gentle washing action universally approved in the wringer washers! You can be certain that your clothes will be spotlessly washed, unharmed and free of knots and tangles! It really washes clothes clean!

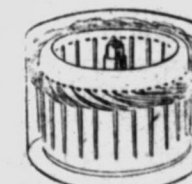

Really RINGS!

Only BLACKSTONE offers a scum-removing, double-action, agitated-rinse! After the tub automatically refills for rinsing, a complete change of clean water is introduced. As the agitator loosens dirt and soap scum which floats to the surface, a high velocity spray flushes this scum from the top of the tub before the water is drained out, so it cannot be redeposited in the clean clothes. It really rinses!

Really SPIN DRIES!

The BLACKSTONE tub develops such powerful centrifugal force — due to its size and speed of rotation — that most clothes are dried so efficiently they can be ironed at once! It can never twist or strain or tear the fabrics — nor break buckles or buttons! The swift, harmless centrifugal action of the BLACKSTONE really spin-dries!

There's Music in the Air
and it's coming to NEW ENGLAND

It isn't classical, it isn't popular, it isn't be-bop. It won't even be heard, generally, by the public. But it is a very real part of the new operator-dialing system of placing long distance telephone calls. A part that will help complete most long distance calls in an average of less than a minute—two or three times as fast as at present.

In the Telephone Company's new Franklin Street building in Boston, and in many other New England telephone exchanges, "Long Distance" will make an important change this month in her method of handling calls. She will begin to "dial" calls straight through to distant telephones without the assistance of other operators along the route. The "dialing," which is done by means of keys, produces musical tones. Different combinations of these tones represent numbers, and take the place of the operator's voice.

The operators' keys are, of course, only a tiny part of a very complicated electronic system developed by the Bell Telephone Laboratories and manufactured by the Western Electric Company. It has been installed by our own technicians in complex arrangements of switches and relays through many floors of the new Long Distance building. It will provide the fastest long distance service that New England has ever known.

COMING SOON at the New
Long Distance Building . . . 185 Franklin Street, Boston

A special exhibit, "Looking Ahead With The Bell System", containing working models of operator-dialing equipment, the radio-relay system for transmitting network television, and other marvels of modern telephony.

Arlington Hockey Team Plans Ambitious Season

Now comes the season for hockey and Arlington's team under the supervision of the one and only John Babine, famous for his inexhaustible energy, is all set for the most ambitious program in its history.

In November of 1948, a group of fourteen to sixteen age boys were organized into the first AYA hockey team. They played at the Cambridge Skating club, in the wee sma' hours of the morning against every opposition that was available. In December of 1948, they were entered in the amateur Hockey Association as a Class C team. Uniforms were issued to the boys in February, 1949, just before they went into the finals at the Boston Arena, where they made a very satisfactory showing. In September 1949, the team was entered in the Mayflower League as a Class

A team, for a six game series, where they finished second.

Because of their success, John Babine has been besieged with requests by other youngsters who are anxious to play the game. John, always ready to oblige and help the youngsters, has now organized six teams, under the supervision of the following coaches, Jack Powers and Al Surette, Hank Doyle, James Doyle, Ralph Dickson, Jack Carney and Don Sweeney. John plans to play the boys at the Cambridge Skating club as well as the new North Shore Arena and outside ice when available. The boys furnish their own equipment and pay their own expenses. The AYA furnished the manpower to coach and supervise.

Historical Sites Still Draw Crowds

In spite of the cooler weather, and the fact that the average family has now returned to its home and school activities for the fall season, there is proof right here in Arlington that the historical sites in this vicinity are still popular tourist attractions whatever the season of the year. Automobiles from twelve states outside Massachusetts were noted parked among the cars that filled a parking

area last Sunday in the vicinity of the famed Concord Bridge.

Sightseers, most of whom were taking pictures en route, virtually swarmed over the Concord Bridge where the Minute Men "fired the shot heard around the world". A great many of these cars made stops in Arlington along Massachusetts avenue at several historic places en route to their Concord or Lexington destinations.

Arlington Drubs Medford By 20-0

The powerful Arlington High eleven, sparked by its great back-field trio of Salisbury, Muello and O'Brien, stunned the Medford eleven by a 20-0 win before a capacity crowd at the peirce Field in Arlington last Saturday afternoon.

ARLINGTON SCORES EARLY

Arlington gained possession of the ball early in the first period on their own 30 yard line and wasted no time in scoring. With Cosgrove, O'Brien and Salisbury doing most of the running, the ball was worked down to the Medford 25. On the next play Dick Muello sprinted off right tackle and did a ballet act down the sidelines to the end zone. The attempt for the extra point was no good.

COSGROVE INTERCEPTS

In the same period, John Geary of Medford dropped back to his own 20 to pass. The ball, intended for Pete Terry of Medford, was intercepted by Jack Cosgrove, ace Arlington quarterback, who ran it to the Medford 11 before he was stopped. Paul Salisbury then took off

around right end to pay dirt. Charlie Oppedisano kicked the point and Arlington led 13-0.

COSGROVE TO SALISBURY

The second period saw Arlington moving all over the field. Jack Cosgrove, on his own 25, tossed one to Paul Salisbury who latched on to it at midfield where he was brought down. On the next play O'Brien went through center for 20 yards. Dick Muello went off right tackle for another 15 bringing the ball to rest on the one foot line. Don O'Brien smashed through center for the third Arlington tally.

Medford put the coal on in the closing minutes of the half. John Geary took to the air with tosses to Pete Terry and Walter Regan, the attack moved the ball down to the Arlington 15 yard line. On the following play Geary pitched one that was intercepted on the Arlington one yard line by Paul Salisbury and the whistle blew ending the half.

MEDFORD NO MATCH

Junior High Loses Finale

Cach Doe Abell's Junior High team wound up a much better than average season here Friday afternoon, losing to a more experienced and much heavier Winthrop J.H.S. eleven by a score of 20-6. The visitors fielded almost the identical team from which Lexington took a 14-12 decision a year ago and the local youngsters were just overpowered, on a muddy field.

Winthrop scored first, sheer power being the biggest factor, but the home boys came back when Billy Ash streaked 40 yards to the 5 from which George Royal tossed a touchdown pass to Les Stevens, the point was missed and that was as close as Lexington could get, since the visitors rolled through for two more touchdowns in the second half.

FOR HOME TEAM

The second half of the game was scoreless with Medford trying desperately to get possession of the ball, but fighting a losing battle. The Arlington club refused to give up ownership claims on the pigskin and when Medford did make an attempt to threaten, the Arlington line held like a brick wall.

Summary:
Score by periods: 1 2 3 4 T
Arlington 13 7 0 0 21
Medford 0 0 0 0 0
Touchdowns, Muello, Salisbury, O'Brien.

Needham Takes Lexington High

NEEDHAM, NOV. 5 — Never will you see the complexion of a game change more suddenly and spectacularly than that between Needham and hapless Lexington, in which the home team captured an 18-7 win at Needham Saturday. Yes, the final reckoning showed three touchdowns to one for the victors, yet the charges of Chet Ingraham will never be any closer to a decision without actually winning it than they were in this evenly matched battle which took a sudden which was heartbreaking for Lexington and, of course, correspondingly glorious for Needham.

A perfectly executed forward pass play which covered 95 yards over all demolished a 7-6 lead which L. H. S. was carefully nursing after coming from behind in the third period. Lexington seemed to have a fair chance of adding to its slim lead about two minutes after the opening of the fourth quarter after Jack Adams had run back a Needham punt to the home team's 35. This break was brought about by a Win Ricker punt which ended up on the home 3 yard line, forcing Needham to kick out from its goal line as above mentioned.

Lexington, after the Adams run, worked the ball down to the 20 and then gave it up on downs. Even then, with time running along, it seemed a simple matter to hold the fort for the remaining few minutes. It took just one play to put an end to any such notion. Charlie Hasenfus, a Needham star all day, got the ball on his own 5, after some ping pong work in the backfield which saw three otherbacks handle the ball to set up the play Hasenfus then cranked up and got away an aerial bomb that carried 60 yards and came down in the arms of right end Gordon Young, who had crossed over behind the Lexington defenses and

gathered it in on the run on Lexington's 35, from which he breasted the rest of the way without a Blue and Gold player laying a hand on him.

Lexington had played a fighting game up to here, but here definitely was the turning point. Needham missed the extra point on a muffed pass, but now the home boys had caught fire and Lexington although never giving up, seemed demoralized. After receiving the punting kickoff, L. H. S. got nowhere and had to kick out. Hasenfus ran the punt back to the visitors' 30 and from that point, Needham's Mr. Outside and Mr. Inside, Hasenfus and Co-Captain Carl Parker, ripped the Lexington line and swept through the flanks with machine-like precision, until Parker bulldozed his way through the last 11 yards for the insurance touchdown. Hasenfus was the best back on the field, his shifty, hip-swinging style being a constant menace.

Needham opened the scoring in the second period being set up when a Lexington back fumbled with the Thomas of Needham recovering on the L. H. S. 25. A long lateral gave Needham a first down on the 10 with Hasenfus eventually slicing over from the 3 for the score. The try for the point after was wide.

The Lexington scoring came in the third period after Jack Adams ran back a punt to the Lexington 40. Moakley went through tackle for six yards and then Adams, getting good protection, passed to Moakley for a first down on the Needham 28. After Adams and Ricker had both been stopped it was third and 13 when Win Ricker faded back and slugged a long pass which covered 33 yards and was grabbed in the end zone by right end Tony Moretti. Ricker's kick split the uprights and the Minute-

men forged ahead until the above described series upset the apple cart.

There was nothing the matter with Lexington's play in this one. The boys played hard, fighting football all the way. Particularly outstanding was the protection given both Adams and Ricker in getting away their passes. Offensively, little Bill McDonough ran from his fullback position with pile driving force. Adams, as always, was a constant threat on his end sweeps and cutbacks. He made several good punt returns, showing plenty of drive. Massamilla, Webster, Lafortune and Moretti all were shining lights defensively. That single lapse in pass defense that, in this case, was fatal, just about spelled the difference between the two teams.

Score by periods: 1 2 3 4 T
Needham 0 6 0 12 18
Lexington 0 0 7 0 7
Touchdowns, Hasenfus, Young, Parker, Moretti.
Points after TD, Ricker.

GRID GOSSIP

Lexington's T formation plays were frequently smeared all over the Needham mud due to a young gent named Terrazino, who played center for the home team. On many occasions he smashed through and was draped all over Win Ricker's neck before the Lexington quarter could get rid of the ball.

Lexington's star end, Mack McLaughlin, was on the bench with a broken finger sustained in practice during the week. His hard, driving style of play was missed, although Moretti's end play was excellent all afternoon. McLaughlin hopes to be back for the Reading game.

The game with Reading, last for the locals before their windup with Concord, will take place at 2 o'clock on the home field Friday, Armistice Day. Just to show, there are no soft spots in Lexington's schedule. Reading enjoyed last Saturday by mopping up Winthrop, one of the two teams Lexington has beaten. The score was 20-12. Reading has a back named Larry Schumaker who celebrated at Win-

B STANDS FOR BOWL and if Boston University can get by Maryland on this coming week-

end, then the Boston University football team may well wind up in Miami's Orange Bowl next New Year's Day.

No one knows as yet, just how good this Boston University team really is. It's undefeated and untied of course, but so are several of the teachers' colleges. And B. U. hasn't played an impressive schedule. Comparative scores are never a good indication of a team's strength, but in this case, that's about all you can do.

B. U. defeated Colgate by a larger score than either Dartmouth or Cornell, and Dartmouth and Cornell are rated among the Eastern powers. The Terriers' margin over Syracuse was the same as Penn State's margin over Syracuse and Penn State has beaten Boston College and Nebraska.

West Virginia gave Pittsburgh a really rugged battle, but B. U. toyed with West Virginia.

So the Terriers' test is Maryland on Saturday. And Maryland is a big time operator. The Terrapins walloped Georgetown, buried South Carolina and beat a strong North Carolina State team. Georgetown in turn, beat Holy Cross and Boston College. South Carolina has beaten Clemson.

throp by scoring twice, once on a neat little dash of some 60 yards. And Concord rolls on. 25-0 over Howe for its 37th without defeat. They'll be real ripe for a fall by Thanksgiving Day.

Winchester High dropped its second in a row when it lost to Belmont High here at Manchester Field last Saturday afternoon.

Paul Amico, Winchester's ace back scored 12 of his teams 13 points. Langdon Smith added the extra point on a conversion.

Amico was the first to score, carrying the ball 21 yards for six points in the first period.

Belmont set up its tying TD in the second period when Dick Watson threw a 15 yard pass to Harold Bellis on the Winchester five. Dick Walsh carried the ball over for a score.

Amico, at his usual best, intercepted a pass and then after a short march tallied again for Winchester in the final period smashing through the line from the one yard stripe.

Belmont, not to be outdone, came back rapidly to even the score and go one touchdown in front, with Gordon Fitch going 17 yards for one TD and Dick Watson smashing over from the two yard line for the other.

Score by periods: 1 2 3 4 T
Belmont 0 7 0 13 20
Winchester 7 0 0 6 13
Touchdowns, Amico, (2), Walsh, Watson and Fitch.
